RE: Please Grant FCC Approval of the InnoCaption App  
Created by Miracom for Smartphone Devices

Dear Secretary Dortch,

I am writing to strongly endorse the InnoCaption product for a Smartphone and urge the FCC to grant speedy approval of this product for the deaf and hard of hearing community. A product like this is in great demand for those with a hearing loss trying to function in society and compete for employment with the hearing community. It offers a level playing field that is not currently available with other caption products.

Thank you for taking serious note of this request.

Sincerely,

Christian Owen
